HELP ELLIE!

Brave Ellie Bishop, aged six, was diagnosed with meningitis in February last year and has since had both of her legs, one of her arms and three fingers amputated as a result.

Chris Kelly, Chairman of Keltruck and the Ellie Bishop Trust, requests your assistance in raising money for the purchase and upkeep of a bungalow for Ellie in Rowley Regis.

Ellie, who was previously living with her father on a canal barge, can now look forward to having a garden to play in as well as a secure future.

The trust has already raised around £77,000 but we need your help and kind donations to reach our target of £130,000 to ensure that Ellie gets the best possible future.

For more information on how you can make donations to the Ellie Bishop Trust Fund please contact Pam Young on 0121 524 1801 or Pam.Young@keltruck.com or send a cheque payable to 'The Ellie Bishop Trust' to The Ellie Bishop Trust, C/o Keltruck Ltd, Kenrick Way, West Bromwich, West Midlands B71 4JW.
