

The logo for Keltruck, featuring the word "KELTRUCK" in white, bold, uppercase letters inside a dark blue rounded rectangle with a white border.

USED VEHICLE DRIVELINE COVER

This policy is for used vehicles of any age (subject to maximum mileage limits) and provides cover for the following components against unforeseen failure:-

ENGINE

Failure of the following mechanical parts:

Rocker covers, rocker gear, push rods, cylinder heads, valves (excluding burnt out or pitted valves) guides and springs, cylinder block, liner and liner seals, pistons and rings, connecting rods and bearings, crankshaft and bearings, camshaft and followers, oil pump, drive shafts, timing chains and sprockets, timing gears and timing cover, flywheel and starter ring, sump, oil, filter housing and turbochargers.

COOLING SYSTEM

Failure of the following parts:

Water pump, head gasket, thermostat, thermostat housing, and cooling fan but excluding radiator and all other parts associated with the cooling system.

MANUAL OR AUTOMATIC GEARBOX

Failure of the following mechanical parts:

All casings and internal parts including transfer boxes, overdrive units, torque converters and PTO units (only if supplied as original equipment) but excluding external linkages and controls.

PROPSHAFTS

Failure of the propshafts including universal joints and bearings

DIFFERENTIAL AND DRIVELINE

Failure of the following mechanical parts:

Differential or driveline including half shafts, external drive shafts, universal joints and c/v joints where fitted.

DRIVING AXLES

Failure of the following mechanical parts:

Casings, crown wheel and pinions, differential units, differential locks, axle half shafts, rear hubs, hub reduction gears and bearings
