Project information:

These works are to repair the viaduct to a safe and serviceable condition, supporting the local economy and ensuring safety for road users, and to prevent larger repairs in the future with more disruption.

We are conscious that this essential work will potentially impact upon your weekend journeys. We have tried to mitigate the impact upon the network, local community and travelling public and will continue to do so as we deliver this work.

Please plan ahead and allow extra time for your journeys.

You may wish to consider using alternative transport options during these closures.

Please help us to spread the message by sharing this information with family and friends who may be affected by this work.

Thank you in advance for your patience during this work.
