Dear Tracy

Re-Collection relating to Peter SCAWTHORN

On behalf of Lois, Peters' wife, and daughters Beverley and Karen and their families I am writing to thank the Directors and Staff of Keltruck for their wonderful generosity following the sad passing of Peter recently.

That gratitude as you would expect is also on my behalf. Throughout Peters' illness and battle I was constantly asked about his welfare with obvious concern by the many, many members of staff who asked about him and his family.

The collection made both at the funeral service for Peter and also subsequently has totalled nearly five thousand pounds which is quite remarkable. The Directors of Keltruck and the staff have contributed approximately three and a half thousand pounds towards that total and understandably no-one envisaged that generosity and outpouring of good will towards Peter. It has come as a ray of sunshine in a rather dark period for the family and they will be forever grateful to everyone at Keltruck.

I too remain so grateful to everyone at Keltruck, Peter and I were in situ for about fourteen years and we have been treated as part of 'the team' even though not employed directly by Keltruck. We have made very good friends with so many people and it was a pleasure on almost every day to work for the company. It was always so gratifying to me to see the respect and esteem in which Peter was held and I know he will not be forgotten.

On behalf of the family and myself we thank you all and wish you every success and happiness in both your professional and private lives

The three organisations nominated by Peter for any proceeds of the collection are the Mary Stevens Hospice, MacMillan Nurses and the Georgina Unit at Russells Hall Hospital and we know they would like to pass on their thanks also for your generosity.

With regards to you all.
