- To conduct exterior detailing to a range of vehicles and their configurations for the Used Sales Department
- Detail the interior of vehicles ready for repurchase.
- Carry out removal of aftermarket components to ready vehicles for repurchase.
- Conduct minor cosmetic component replacements to ready vehicles for repurchase.
- Remove vinyl wraps and liveries and refinish (polish) paintwork to suit.
- Keep their work area clean and tidy.
- Work with the Used Sales Team to ensure the product is delivered right first time, on time, working as part of a team.
- Work to company health and safety regulations
- Participate in market leading training.
- General yard duties to include the upkeep of the presentation of vehicles for sale

Your experience/ skills

- Someone who is passionate to learn and is consistent in their delivery of a quality product.
- Someone who can work as part of a team to provide a premium product.
- Someone with good communication skills
- Someone who likes an active role and variation in their working life.
- Someone with a UK car license and is prepared to learn to manoeuvre HGV vehicles on site.

What we provide:

- Market leading working conditions
- 23 days annual leave plus bank holidays
- Manufacturer training for products and processes used within the role.
- Access to Scania Rewards and benefits platform for savings on household items
