

Parts Delivery Driver

Location: Tamworth

Hours : 45

Alternate Shifts: 08.00am-17.30pm (inclusive of 30 min unpaid Break)

Alternate Saturdays: N/A

Job Description

Working with the Keltruck Parts Team and our customers, the position is for someone who will be the essential link between the branch and our customers. Providing excellent customer service through the timely delivery of spare vehicle parts to customer locations.

Identifying priorities for both parties which includes scheduling of deliveries and liaising with the varying parties to make this happen. The role is provided with the responsibility of a dedicated vehicle, that vehicle represents Keltruck and therefore, its cleanliness both internally and externally is paramount. Following training, the role also requires an element of safe manual handling for loading and unloading the vehicle.

Person Specification

Your excellent customer service skills and rapport building will be backed by the premium heavy goods vehicle on the market. Previous experience in similar environments would be ideal but not essential.

We are looking for someone who is customer focused with a full UK driving license. A forklift truck license would be preferred but again is not essential. The person will be expected to assist in the background running of the Parts department in such areas as stock checks and the general upkeep of the area when not out delivering parts.

We are looking for someone who is caring, displays integrity, is dependable and professional in their approach to working within our team and interacting with our customers. Building lasting relationships built on trust, reliability and consistency. We are also looking for someone who takes pride in their personal appearance when supporting a premium brand vehicle.

The person must comply with our Health and Safety standards at all times. The person will be expected to attend any training as required.

Our Great People, Get More

- 25 days annual leave plus bank holidays which increases with length of service
- Fully expensed manufacturer training with career pathways
